Christmas Program

We trust you all had a great year and are already enjoying a more prosperous New Year in the Lord. This year has certainly been wonderful and the Lord has truly blessed. Although it's bittersweet to see 2008 come to an end, we welcome 2009 anxiously waiting what the Lord has for us in this New Year.

We ushered 2008 out with

a great Christmas program. All the people worked hard to prepare for it, and one lady planned it, had beautiful costumes made, and worked well with the children. Some of the men helped me build a stable and a manger.

Several of the children we pick up every week participated in the program; some of them even played leads. All their parents, except one couple, came to see their kids, and heard a clear presentation of the Gospel. Seven of these parents raised their hand at the end of the service wanting to know more about salvation. Please pray for an open door as

we start studies with them

. Two generous families donated money to buy gifts for the children of the church. After the program, we gave the gifts to very excited children who otherwise wouldn't have received anything for Christmas.

We were able to use the downstairs for this night, which was a blessing as our auditorium is packed. The downstairs has been offered to us for 10,000 pesos, (about 700 US dollars/month).

[Please pray with us that the Lord will provide the money to rent the downstairs.](#)

Visitors for Christmas

We were privileged to have Jon Gambrell, Teresa's youngest brother, and his family come spend Christmas with us. What a blessing it was to have some family here over the holidays!

Jon was able to preach and his girls played the piano and sang. They were a tremendous blessing to our people. Seeing the field gave his family a greater burden for the need here.

Youth Meeting

Our most recent youth activity was a Tacky Party, where the kids really mix-match their clothes. We invited the youth groups of two other churches to come

join us. They had a great time of games, and chili dogs (first time they had ever tried them.) To finish the night, a message was brought from God's Word to encourage them to seek the right kind of friends. Our burden is to reach more young

people for Christ as they are the future leaders of the church. Please pray that God will direct us and prepare hearts of the young people.
