

TAKING THE GOSPEL TO MEXICO THE DENISONS

March 2010

SHOWING THE LOVE OF CHRIST

Praise the Lord for another year! We've started the New Year off very well with many blessings. Our people are really taking on responsibilities such as, being over special music and a Sunday School superintendent.

The theme for the month of February was 'Love.' The people thought it would be good for us as a church to reach out to the community and show the love of Christ. Thus, one evening

some of the ladies made a hot drink and others brought sweet bread. We took it to one of the hospitals and passed it out freely to the people there waiting on their loved ones. Along with the refreshments we gave each person a gospel tract. Many times the Lord Jesus met the physical needs of people and then moved to meet their spiritual need. It opened the door for conversation because we showed a genuine concern for them. Several of our people had an opportunity to witness. One lady was saved and others showed interest. This is a ministry we plan to continue as the year goes on. It's just another net to cast out for the purpose of fishing for men.

GETTING THE TEENS' HEART

Youth Painting Classroom

I have started teaching the teens and am really trying to get a hold of their hearts for God. "Create in me a clean heart, O God; and renew a right spirit within me." Ps. 51:10. I am teaching on the heart, its condition and the need for change by the Holy Spirit. We are already seeing growth in them by their attitude, their appearance and their actions.

We have them involved in the ministry of the church, and have activities planned for them. All of it is with the purpose of seeing them grow and bringing more young people into the fold.

WORK DAY

Organizing the Kitchen

We had a work day at the church and many of our people showed up and worked hard. We worked 11 hours, repairing, painting, cleaning, and organizing. Praise the Lord for a people with a mind to work!

TRAINING PREACHERS

Bro. Angel, (one of the 5 men I'm training), preached on a Sunday PM. He did a great job. He is a tremendous leader in the church. I thank God for him!

God Working in Circumstances

It is amazing how the Lord works thru what seems to be a terrible day to put you somewhere that He wants you to be. We were heading to a youth rally in another city when, all of a sudden we heard a terrible noise under the van. The drive shaft had just

dropped off. Since we were stranded for 9 hours the people went exploring and found a village. We spent the afternoon with a family there. We were able to witness and got an invitation to go back with studies from God's Word. We saw that Rom. 8:28 is still valid

today. Wouldn't it be great if the three young boys on the burros, (pictured to the left), one day became preachers!
