Philippians 1:21 says “for me to live is Christ, and to die is gain.” God has blessed in so many ways that our lives ought to reflect that statement by Paul. Yet in many Christians’ lives it is not true. God is still calling for young men and women to surrender their lives for full time service in reaching others so that they would be able to say with the Apostle Paul, “For me to live is Christ.”

We thank you for your prayers for the recent trip to San Pedro Sula, Honduras. God blessed in many aspects of the trip. As one of the most dangerous cities in the world, God’s protection is evident in the lives of the believers there.

Yery Martinez began the Cornerstone Baptist Church there seven years ago. God has blessed and they have grown to the place of building their own building. Brother Yery invited me to preach in their anniversary conference. Eight other churches from around the area participated in the conference. There were two preachers in the conference, special music and a rejoicing in the new building. Five people made professions of faith in Christ and many other decisions were made at the altar each evening. We thank the Lord for the opportunity to preach and minister to those in San Pedro Sula.

On Sunday after the conference three believers were baptized in their new baptistery. They are very excited with their new building. They were finishing up last minute details right up until the service started on Tuesday evening. Two young men are preparing to serve the Lord as leaders of that church.

They are still working on the second floor where there will be three classrooms and a small apartment for the future pastor of the church. Brother Yery is preparing the church to be self sustaining and governing before he leaves to begin another church. Please pray for brother Yery and the church as they strive to reach San Pedro Sula for Christ.

Work in the Home Office is still going on. We are finishing up the transformation of the old Print Shop into a new Conference/Work Room. We are thankful for the Lord’s provisions and help in this transformation. Pray for daily wisdom in the Home Office as we deal with situations regarding our missionaries, their finances and ministries. It is amazing to see and hear what God is doing through them.

The Annual Institute of Missions will be here in a couple of months. Please pray for all the preparations. The dates are June 4-9. Contact the Home Office if you would like to attend.

Leslie’s health is still doing well. Because of the change in health insurance we had to change the anti-rejection medicine. So far she has not had any changes in her liver status due to the change in medicines. We thank the Lord for His healing and you for your prayers.

Thank you so much for your prayers and support. May each of you live each day reflecting Paul’s statement — “for to me to live is Christ.”

In Christ,
Keith & Leslie
