GROWING IN FAITH

“We are bound to thank God always for you, brethren, as it is meet, because that your **faith groweth exceedingly...**” (2Thes. 1:3a)

During the coronavirus pastor Israel Villalobos of the last church we started, called me and said that because of the virus the church would only be able to send half the the support to all of the 36 missionaries they support or the full support to half of the missionaries. After praying about it, pastor Israel decided to send all of the support to all 36 missionaries even if the church could not pay the rent on their building. He made that decision on a Tuesday and the next day presented it to the church during their Wednesday evening service. The church agreed to step out on faith and send all of the support. When they counted the offering that night after the service, a believer, who had not been in a few weeks, had put in \$36,000 pesos. Praise the Lord! That gave them enough to be able to send all the support to all the missionaries and pay the rent on the building. The following Sunday, another family put in \$10,000 pesos. Isn't the Lord good! The faith, not just of the pastor, but of the church grew exceedingly!

They had canceled their missions conference, because of the coronavirus, but still stepped out on faith and took on 4 new missionaries, bringing their total to 40 missionaries. Thank God for a pastor that was willing to lead his church together to try their faith and to prove God's promise!

YOUTH CAMP 2020

Our youth with Brother Adrian Burden, the preacher for the week.

We took ten young people to Teen Extreme in Pensacola this year. The Lord was good and gave us a great week. Of course, as always, they had a great time enjoying all the games that were planned, along with the special music, the congregational and the skits. Our youth really bonded on this trip and were drawn closer together.

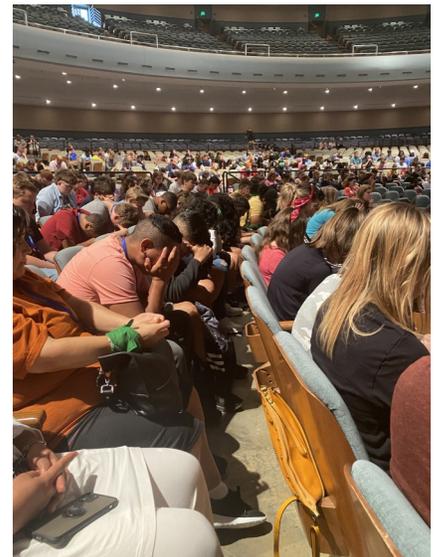

Brother Adrian Burden was the speaker and did a super job of getting down to the young people's level and reaching their hearts.

An Invitation

Despite the fact that they went hard all day till late at night each day, the last night, the guys stayed up till 4:00 am, talking about the messages and crying as they shared with one another changes they needed in their life. Pray we can keep this fire growing!
