

MISSIONARY EVALUATION REPORT

Dear Pastor,

On behalf of Fundamental Baptist World-Wide Mission’s Board of Directors and the sending pastor and church of our missionary, I wish to thank you for having a missionary affiliated with FBWWM at your church to present the work to which God has called him. Anyone doing deputation is generally doing it for the first time. We have a continual concern that missionaries with this ministry make the very best presentation possible. There is a two-fold reason for this concern. First, we realize that in years past, some missionaries have done things or said things which have caused damage to the local church. Second, some missionaries have done things which have caused damage to themselves. Both of these, many times, are done unintentionally and without the realization that they have hurt the cause of Christ. Having been in missions for over 30 years, I realize that sometimes things are done with other motives. For these reasons, we respectfully request that you complete this report and return it to our Home Office. The reason behind this report is not to seek information to hurt a missionary but to help all missionaries. We can be a better help to them if you will help us by completing and returning this report. Thank you for your help.

Respectfully,
